## **Typical Day for a CMS Student**

**7:10 a.m.** USD 204 buses arrive with BSHS and CMS students.

The students are dropped off in the bus lanes in front of the buildings. Students are expected to come into the building immediately after arriving.

Students who are car riders should be dropped off at the North entrance of the building located facing Pratt Ave between 7:10 a.m. and 7:40 a.m. After 7:40 a.m. the doors will be locked and students should be dropped off at the front of the building on Bluegrass Drive.

**7:10 a.m. -7:40 a.m.** Breakfast is served in the cafeteria (breakfast stops serving at 7:40 a.m.)

6th grade goes to the cafeteria to eat and will remain in the cafeteria until the 7:30 a.m. bell to be dismissed to their lockers and the hall. 7th and 8th grade students have a choice to go get breakfast or mingle with peers in the commons, hallways, or media center. This is also a good time to make up work or get help from teachers.

#### **7:30 a.m.-7:40 a.m.**

All grade levels can be in the hallway making their way to class or meeting with teachers.

**7:40 a.m.** The final bell rings to alert students that they have 5 minutes to get to their 1st hour class.

**7:45 a.m. Every student should be in their classroom by 7:45 a.m. in order not to be counted as tardy.** At the very beginning of Advisory, morning announcements are made for you to know about upcoming meetings, events at CMS, athletics, and daily tidbits.

### **School Academic Hours**

#### **7:45 a.m. - 2:55 p.m. Daily**

Each student will have:

4 core classes: Science, Social Studies, Math, and English

2 Elective classes

1 Academic Focus Class

An a.m. and mid-day Advisory Class

Lunch

**2:55 p.m.** The bell rings to go home.

Students who ride the bus will exit out the front doors by the office. Make sure to know your address and bus number before dismissal.

**The bus will leave promptly at 3:05 p.m. If a student misses the bus, they will need to call home for a ride.**

Car riders and walkers should exit out the north entrance located facing Pratt Ave. When you are a car rider, be sure to be outside and look for your vehicle so you are not holding up traffic. The doors will be locked at 3:05 p.m. and students will need to go to the front to wait for their ride. All students need to be off campus by 3:10 p.m. unless directly supervised by a teacher. Staying after with a teacher needs to be preplanned with the teacher and the office needs notification. Walkers/bike riders stay on the sidewalk when possible. Watch for vehicles and use the crossing guard to get across the street safely.

**2:55 p.m.**-If a student plans to stay for an athletic event after school they are asked to meet in the Commons area and check in with the student supervisor. Students will be required to stay in this area until 5 minutes before the start of the game. The entrance fee will be collected by the student supervisor and their hand will be stamped to get into the game. Once inside the game, students will be expected to cheer for the Braves and display good sportsmanship. Students need to stay in the stands watching the game. Students may be asked to leave the game if they are not complying with the rules.

# ATHLETICS AND ACTIVITIES

## Kansas High School Athletic Association Eligibility

Eligibility- A student who represents his/her school in any inter-school activity falls under the jurisdiction of the Kansas State High School Activities Association.

**Each activity will have specific rules, but the following applies to each individual:**

1. He/she will be an undergraduate member of his/her high school in good standing.
2. The student will have passed at least five (5) subjects of unit weight (or its equivalent) the previous semester or the last semester of attendance.
3. Any student who reaches the age of 19 before September 1 will not be eligible.
4. He/she will have been regularly enrolled and in attendance at some school no later than Monday of the fourth week of the semester in which he participates.
5. He/she will not be eligible if he/she has attended high school for eight semesters.
6. After a transfer, a student must be in school for 18 weeks before he/she is eligible unless the parents move into the district. At that time, grades will be reviewed to determine future eligibility.
7. The student will be enrolled in and attending a minimum of (5) subjects of unit weight (or its equivalency) during the present semester.
8. A student who is currently suspended or whose character or conduct brings discredit to the school is not in good standing.
9. A student is not permitted to make up work after the close of a semester for the purpose of becoming eligible (this includes summer school).

At Robert E. Clark Middle School practices are for CMS student-athletes only. Friends and siblings are not allowed to stay on school grounds or at practice if they are not part of the athletic team unless approved by the Athletic Director/Building Administration. All practices are closed practices, meaning if you are not part of the athletic team you are not allowed to be at the practice. Coaches will conduct a meeting to review team rules and expectations at the beginning of each sports season.

**Student-athletes and/or managers are students first and athletes second, therefore:**

- a student-athlete and/or manager must be in attendance for a minimum of four hours in order to compete in an event that day.
- student-athletes/managers need to be picked up daily at the designated time given for practices and games or they can be removed from the team.
- if a student-athlete/manager receives disciplinary action during the day of the competition, they will not be able to participate or be at the event if the team leaves before school is out for the day.
- parents are requested to attend the meeting to understand the expectations of the activity in which the student-athlete/manager is participating.

## School Dances

School dances are for CMS students in good standing. Students must be passing all classes by

Wednesday the week of the dance to attend. Students who have received ISS/OSS disciplinary actions on or a month prior to the dance date will not be allowed to attend.

- If a student chooses not to follow school rules while attending the dance, the student will be asked to leave and it may result in consequences listed in the Student Handbook.
- Dances are from 3:00 p.m. to 5:00 p.m.
- Students should have rides home at 5:00 p.m.
- Once a student checks into the dance they will not be allowed to leave without prior permission from a parent or guardian.

## **INFORMATION FOR STUDENTS**

### **Academics**

#### **Grading Policy**

- A — 89.5%-100%
- B — 79.5%-89.4%
- C — 69.5%-79.4%
- D — 60%-69.4%
- F — 0%-59.9%

#### **Academic Honesty**

CMS students are expected to demonstrate integrity and honesty at all times. Academic dishonesty, including cheating or helping others to cheat on school assignments, is the most serious violation of the social contract between students and teachers. When a student is found to have cheated, his/her parent/guardian will be notified and a teacher may deny a student credit for the work submitted. Repeated offenses may result in consequences listed in the Student Handbook.

#### **Honor Roll**

There are two Honor Rolls at Robert E. Clark Middle School. Earning an “A” in each semester class (4.0 GPA) qualifies students for the “A” Honor Roll. Students with a “B” average (3.0 GPA) qualify for the “B” Honor Roll. A student cannot have a D or below in any of their classes to be on the "B" Honor Roll

### **Student Rights**

#### **Building Hours**

The building will be open to students at approximately 7:10 AM. The school will not have personnel on duty to supervise students outside the building before 7:10 AM. When the building is open, all students must move to the designated area of the building or the cafeteria to eat breakfast. School ends at 2:55 p.m. Students are not to be in the building after school unless the student is under the direct supervision of school personnel. All students should be off school grounds by 3:10 p.m. daily due to no adult supervision unless they are involved in a school-supervised and sponsored activity. Staying after with a teacher needs to be preplanned with the teacher and the office. Parents should

make arrangements to pick up students immediately after school events have concluded or have arrangements for students to walk home.

## **Cafeteria**

Each student will be escorted to the cafeteria by his/her classroom teacher. Students are not allowed in the hallway or other areas of the school without the direct supervision of a teacher. Students are to go directly to the classroom at the end of the lunch period or they will be counted tardy by the teacher. Students should use the restroom in the commons during the lunch period to prevent missing classroom instruction. All items should remain in the classroom or locker during lunch. Respect for others should govern eating and seating habits. Students are responsible for picking up food trays, milk cartons, etc. on the floor or on the tables. Students are not allowed to order food from outside agencies during the school day. If this happens, the food will remain in the office until the end of the school day. If a parent brings their student food for lunch it will be left at the office for delivery during the assigned lunchtime. It is not permissible for that parent to bring food for other students who they are not guardians to, unless prior parent permission is obtained.

## **Emergency Drills**

A written plan for emergency drills (fire drills, tornado drills, and threatening situations) is available in the office and every classroom. The drills will be explained to staff and students at the beginning of the school year. Practice drills will be conducted periodically in accordance with the Kansas State statutes.

## **Emergency Safety Intervention**

The board of education is committed to limiting the use of Emergency Safety Interventions (“ESI”), such as seclusion and restraint, with all students. The board of education encourages all employees to utilize other behavioral management tools, including prevention techniques, de-escalation techniques, and positive behavioral intervention strategies.

This policy will be made available on the district website with links to the policy available on any individual school pages. In addition, this policy will be included in at least one of the following: each school’s code of conduct, school safety plan, or student handbook.

Definitions (See K.A.R. 91-42-1)

“Emergency Safety Intervention” is the use of seclusion or physical restraint when a student presents an immediate danger to self or others. Violent action that is destructive of property may necessitate the use of an emergency safety intervention.

“Seclusion” requires all three of the following conditions to be met: (1) the student is placed in an enclosed area by school personnel; (2) the student is purposefully isolated from adults and peers; and (3) the student is prevented from leaving, or reasonably believes that the student will be prevented from leaving, the enclosed area.

“Chemical Restraint” means the use of medication to control a student’s violent physical behavior

or restrict a student's freedom of movement.

"Mechanical Restraint" means any device or object used to limit a student's movement.

"Physical Restraint" means bodily force used to substantially limit a student's movement.

"Physical Escort" means the temporary touching or holding of the hand, wrist, arm, shoulder, or back of a student who is acting out for the purpose of inducing the student to walk to a safe location.

"Time-out" means a behavioral intervention in which a student is temporarily removed from a learning activity without being confined.

**Prohibited Types of Restraint** All staff members are prohibited from engaging in the following actions with all students: Using face-down (prone) physical restraint; Using faceup (supine) physical restraint; Using physical restraint that obstructs the student's airway; Using physical restraint that impacts a student's primary mode of communication; Using chemical restraint, except as prescribed by a licensed healthcare professional for treatment of a medical or psychiatric condition; and Use of mechanical restraint, except Protective or stabilizing devices required by law or used in accordance with an order from a licensed healthcare professional; Any device used by law enforcement officers to carry out law enforcement duties; or Seatbelts and other safety equipment used to secure students during transportation.

## Hall passes

Students must obtain permission from staff to leave during class time. The teacher must sign a hall pass to grant permission to go to another teacher, locker, restroom, student services, office, the nurse, etc. In addition to the digital pass created on the E-Hallpass system, when outside the classroom students are to have a physical pass with them at all times. When hall passes are issued, technology devices (including cell phones and headphones) will be left in the classroom in a designated area. **No hall passes will be given during the first five minutes or the last five minutes of class.**

## Health Services

The School Nurse supervises activities in the health room and is assisted by school staff that may provide some basic first aid services for students. If a student becomes ill during the school day, he/she should report this to a school official who may write a pass for the student to go to the office. A student will only be dismissed in the care of a parent or guardian due to illness once the nurse has assisted in the medical care. Parents should keep the School Nurse informed of any health concerns and keep their contact information up to date with the school so they may be contacted in case of student illness or emergency. The School Nurse does hearing and vision screenings of students as per state guidelines. Parents will be notified of any abnormal screening results via a note sent home with the student. The School Nurse reviews immunizations on all students and will notify parents of any state required immunizations for which the school does not have proof.

**Medication Policy:** Controlled drugs such as Ritalin and narcotic pain medications, must be kept locked in the health room and be administered by the nurse or the nurse's designee, and a written physician and/or dentist plus parental permission is required.

*\*All controlled substances (Schedule II medications) need to be delivered to the school nurse by the Parent/Guardian unless alternative arrangements are made with the school nurse. Parents or guardians will be asked to pick up any unused controlled medications. A new physician order will need to be submitted for each prescription every school year. Any unused medication not picked up by the end of the school year will be destroyed.*

**Prescription medication** will only be administered by school district employees to middle school students under the following conditions: A licensed Health Care Provider or dentist must give written permission and instructions for the administration of all prescription medicine or drugs. The order must be dated and identify the medicine or drug, dosage, time of day to be given, and anticipated number of days to be administered. A parent must give written permission for the administration of the medicine or drug. The parent permission must identify the student; the date permission is given and includes the signature of the parent. Students may carry and administer their own metered dose inhaler (MDI) for asthma, insulin for diabetes, and rescue medication for anaphylaxis *only if the physician specifically notes this* on his/her order. Again, written parent permission is also required. **Common Over the Counter or non-prescription medications** (i.e. lotions, creams, pain medications, cough drops, etc.) may be administered *with written parental permission only*.

## **Lockers**

The lockers and locks at Robert E. Clark Middle School are assigned to students by the office and are free of charge. Lockers are to be used for storing outerwear and school materials only. Physical education and athletic lockers are provided by the physical education teachers. It is the student's responsibility to keep his/her locker locked at all times. Students are responsible for all items stored in the locker, therefore, students should not share their locker combination or a locker with a classmate. The school maintains no responsibility for lost or stolen property; therefore, no valuables of any type are to be brought to school. Students should refrain from using tape, markers, or other permanent materials to decorate. Backpacks, book bags, purses, and other types of bags along with heavy outerwear i.e. coats, gloves, and stocking hats must be stored in a student's locker while in the building. Students may not bring items to share or sell. Students may not sell any items in school except as a member of an approved school group. Sales by school-sponsored groups are permitted only with the prior permission of a principal.

## **Lost and Found**

Lost and Found will be located near the band/choir rooms and available for students to check for their missing items. Items not claimed will be turned over to a service organization at the end of the semester.

## **Personal Property**

All items of personal property brought to school should be marked or labeled with the student's name. The school is not responsible for lost or stolen personal property. Technology devices brought from home are the responsibility of the student such as cell phones, gaming devices, air pods, headphones, smart watches etc...

## **Signs and Postings**

Due to the state fire code, there is a limited amount of wall space available for student work, student announcements, and other miscellaneous posted information. All items that are posted in classrooms and hallways need to be pre-approved by either the classroom teacher or the building administrator. Any item that is not approved will be taken down.

## **Search of Lockers**

Board of Education policy (See EBC, GAAD, JCABB, JCEC, and JHCAA) allows building administrators and others designated by the superintendent may conduct investigations and question students about infractions of school rules or the student conduct code. When there are reasonable grounds for suspecting, a search will reveal evidence that a student has violated or is violating either state or federal laws or the rules of the school, or when there are reasonable grounds to believe a search is necessary to preserve and protect the welfare and property of the district, students, faculty, administrators, and the general public, a search of a student's locker and/or the student himself/herself will be permissible. All searches will be conducted by the building principal, or his/her designee, in accordance with the rules and regulations approved by the board. Unless the situation warrants otherwise, all searches of a student will be carried out in the presence of an additional adult witness. No strip searches will be conducted by any school district officials. The school administration reserves the right to search the following:

- lockers and desks are owned by the district and as such are subject to search at any time by school officials.
- if there is reasonable suspicion that a student may have illegal substances or items in his/her possession, the student may be asked by the administration to empty pockets, purses, shoulder bags, backpacks, or other similar items.
- vehicles parked on school property are subject to search by school officials.
- drug detection dogs may be used to check buildings, lockers, and vehicles. Students who bring illegal substances or items with them to school or who store such items in desks, lockers, or vehicles parked on school property will be subject to disciplinary action including possible suspension and expulsion from school.

Illegal substances or items discovered by a search of the student, locker, or vehicle will be turned over to law enforcement officials, where applicable.

## **Use of Trained Dogs to Search**

At the request of the administration, law enforcement officers or licensed private agencies may use trained dogs on school premises to identify student property that may contain illegal or illicit materials and to determine whether materials are present which may threaten the general health, welfare, and safety of students and/or district employees. The dogs may be used for search purposes to check lockers, vehicles on school property, and other suspected locations.

## **Textbooks**

All textbooks and library books are rented from the school and are the students' responsibility. If a student loses a book, the student must pay the replacement cost of the lost book. If the book should be found at a later date, the money for the second book will be refunded. The teachers will note the condition of books before checking them out to students. Students are responsible for the condition of the books until they are turned back to the teacher or librarian. If a book is damaged, the student will be charged the cost of repair or replacement of the book.

## **Transportation Bus**

Bus transportation is a privilege for students. Students need to comply with bus expectations so that this privilege is not interrupted or taken away.

## **Designated Bus Consequences**

Bus drivers will issue a bus ticket for an infraction of the rules. Parents will receive a bus ticket via email from the administration. Bus tickets are an accumulation throughout each semester.

- **1st bus ticket** Warnings and/or Detention
- **2nd bus ticket** 3 days suspension from riding the bus
- **3rd bus ticket** 5 days suspension from riding the bus
- **4th bus ticket** off the bus for the semester

If the administration at any time determines that the infractions of the rules of conduct are sufficiently serious, they can impose any discipline permitted by the rules of conduct.

## **CONDUCT ON BUSES**

Transportation personnel creates transportation eligibility and regulations available to every student. Students and parents should be knowledgeable about this information. Students are subject to disciplinary action for misconduct on school buses, at the administration's discretion. All code of conduct policies are to be followed on the buses and are subject to the same consequences for misbehavior.

1. The riding privilege of a student may be revoked for violation of the rules or for conduct that is detrimental to the safe operation of the school bus.
2. Students may also be subject to long or short-term suspension or expulsion. Remember the driver is in full charge of the bus and the students.

### **While Riding the Bus:**

1. Except for ordinary conversation, students will observe quiet conduct on the bus.
2. Students will stay in their seats while the bus is in motion.
3. Students will not throw waste paper on the floor of the bus.
4. Students will not have food or drinks on the bus.
5. No part of the body will be extended through the bus window.
6. Students will not leave the bus from the emergency door unless an emergency exists.
7. Students will obey the driver of the bus at all times.
8. Students are expected to remain quiet when approaching or stopping at railroad crossings.
9. The Student Handbook is applicable to bus stop areas as well.
10. Written parental permission is required for a student to ride home with another student.

## **Bus Routes**

The buses will arrive at the middle school at 7:10 a.m. The district transportation Director is in charge of our bus routes. You will be informed of which bus you ride and approximately what time it will arrive at your pickup point. Buses will leave the middle school at 3:05 p.m. Transportation cannot wait for students who are running late in the a.m. or p.m. It is unsafe for students to run after a bus when it has begun moving and the student will be asked to find another transportation home. If your student will be changing transportation to and from school, please contact the transportation department at

913-441-2493 and the school to inform them of the change.

## STUDENT EXPECTATIONS: Attendance

Attendance Policy for Unified School District 204: Attendance is very important for success in school. Almost without exception, those whose attendance is poor show less achievement in the classroom. ***For an absence to be classified as excused, the parent or guardian should contact the school by phone between 8:00 AM and 3:00 PM the day prior to the absence or by 8:00 a.m. the day of the absence at 913-661-8120 stating the reason for the absence.*** If this is not possible, calls will be taken throughout the day until 3:00 p.m. If not notified by phone, a note explaining the reason for the absence must be presented to the Attendance Clerk no later than one day after returning to school. An absence is recorded for a class period if a student is tardy for more than 10 minutes without a note from the office or another teacher excusing the absence.

The following are approved reasons for excused absences:

- Personal illness
- Family emergency or funeral
- Medical or dental appointments
- Religious holidays of the student's faith
- Mandated court appearances
- Family activities with prior notification of school administration (please provide three days' advance notice)
- Educationally beneficial activities as pre-approved by the school administration (please provide three days' advance notice)

When a student reaches ten (10) absences in a semester, any subsequent absences will be deemed **unexcused** unless they are substantiated by a doctor's statement(s) or are caused by emergency family situations, which must be communicated with the administration in a reasonable time frame.

Once an absence has been deemed unexcused, the students will not be allowed to make up the work that was missed.

Additionally, this policy applies to each class period: Once a student is absent ten (10) or more times, and continued absences (in that specific period) are considered unexcused (without substantiation as described above). **No credit will be given; zero's will be scored for all missed assignments.**

### Credit for Missed Work

All students with an excused absence from school will be given one day for every day missed to complete assignments and still receive full credit. Arrangements should be made with the classroom teacher to obtain makeup work. Credit will not be given for assignments that are missed due to unexcused absences. Teachers may make adjustments to missed school work depending upon the student's needs, abilities, and circumstances relating to the student's health with the exception of unexcused absences, which will have no credit given.

## **Student Early Release**

Students will not be released during school hours without permission from the principal or the principal's designee. The Robert E. Clark Middle School procedure for parents who need to get their child(ren) out of school early requires a parent/guardian to go to the office for the child. For their personal safety, students are not allowed to wait at exits or outside to be picked up early. The person who is requesting the release of the child must be prepared to show valid identification when signing their child(ren) in or out during the school day at the office.

## **Truancy**

Kansas State Law requires that a student be submitted to the Wyandotte County District Attorney's Office as truant if any of the following criteria are met:

- 3 consecutive unexcused absences
- 5 unexcused absences in a semester
- 7 unexcused absences in a school year

A student is considered absent for the entire day when he/she misses "a significant part", i.e three (3) or more periods in a 7-period day or two (2) or more periods in a block day.

## **STUDENT EXPECTATIONS: Civility and Unsafe Behavior**

### **Animals and Plants**

Persons bringing animals and plants into the school must receive prior permission from the supervising teacher and the building principal. Animals, including all vertebrates and invertebrates, may be brought into the classroom for educational purposes. Animals and plants in the school under no circumstances are to be transported on a school bus. Teachers assume the primary responsibility for the humane, proper treatment of any animal in the classroom. All animals brought on campus must be up-to-date on vaccinations.

## **Bullying Prevention Policy**

### **Definition of Bullying**

**(A)** Any intentional gesture of any intentional written, verbal or physical act or threat that is sufficiently severe, persistent, or pervasive that creates an intimidating, threatening, or abusive educational environment for a student or staff member that a reasonable person, under the circumstances, knows or should know will have the effect of

- 1) Harming a student or staff member, whether physically or mentally
- 2) Damaging a student's or staff member's property
- 3) Placing a student or staff member in reasonable fear of harm to the student or staff member
- 4) Placing a student or staff member in reasonable fear of damage to the student's or

staff member's property

5) Harming a student or staff member's social status or reputation.

**(B) Cyberbullying** - means bullying by use of any electronic communication device through means including, but not limited to, e-mail, instant messaging, text messages, blogs, mobile phones, pagers, online games, and websites. Additionally, bullying means any form of intimidation or harassment prohibited by the board of education of the school district in policies concerning bullying adopted pursuant to K.S.A. 72-8256 or subsection (e) of K.S.A. 72-8205, and amendments thereto. USD204 will not tolerate these actions by students, staff, or parents. The Board of Education prohibits bullying in any form, including electronic means on or while using school property, in a school vehicle, or at a school sponsored activity or event. No teacher, administrator, or school district employee will engage in, permit, or tolerate bullying. Retaliation against a victim, good faith reporter, or a witness to bullying is prohibited. A student or staff member who engages in an act of bullying, reprisal, retaliation, or false reporting of bullying, will be subject to discipline in accordance with school district policy and procedures. The school administration and/or board may take into account the following factors when determining appropriate disciplinary action for such prohibited conduct: the ages of the parties involved; the developmental and maturity levels, special education needs of the parties involved, and the severity of the behavior. Discipline guidelines for student bullying may be found in student and employee handbooks. Offenses over time or single offenses which are severe in nature may result in discipline up to and including suspension and/or expulsion or termination from employment. Parents participating in prohibited bullying conduct aimed at district students and/or staff members may jeopardize their access to district facilities; district property; school sponsored activities, programs, and events; and/or district students and/or staff members through the district's communication systems. As appropriate, reports to local law enforcement will be filed to report criminal bullying behaviors.

### **Electronic Use Policy: Personal Device**

Students may have electronic devices (such as cell phones) in their USD204 issued Chromebook, on their person, or in their locker as long as it is turned off or on silent and not being used without teacher permission. Violation of the electronic use policy will be subject to the Student Disciplinary Guideline.

Students, parents, the public, and the media may not video or audio-record classroom instruction or any other instructional activities that occur in school without prior permission from school administration. Taking pictures or recording students and staff in the hallways, at lunch, and during other unstructured times requires the permission of the students and/or staff being recorded. Inappropriate use of personal camera/filming devices may result in consequences listed in the Student Handbook.

### **Electronic Use District Policy**

Electronic mail (e-mail) and Internet access are provided to students for educational use. Students must sign the Student Agreement in order to receive access to the district's e-mail and Internet system. The functions of the district's e-mail and Internet system are to be used as appropriate for educational purposes.
